EXPERIENCE

Lavner Education — *Instructor Intern*

JULY 2026 - AUGUST 2026

- **Instructed hands-on STEM** curricula in Python, robotics, physics, and chemistry at a nationally recognized, top-tier tech camp
- **Translated complex technical concepts** into engaging, informative lessons
- **Cultivated an inclusive, encouraging learning environment**, providing tailored feedback and support to build confidence in young, aspiring STEM learners

Jefferson Moss Rehabilitation Research Institute - Cognitive-Motor Learning Laboratory— *Research Intern*

JUNE 2025 - OCTOBER 2025

- **Assessed and scored** participant task performance for research study, adhering to strict scoring guidelines
- Contributed to **data collection and analysis**
- **Participated in weekly lab meetings** to discuss various projects, developing valuable experience in a collaborative research environment
- **Collected and analyzed participant data** using Microsoft Excel, Python, and R

Freelance, Remote — *Academic Tutor*

OCTOBER 2025 - CURRENT

- **Provide one-on-one tutoring support** for a high school student in SAT Math, AP Precalculus, AP Statistics, and Chemistry
- Facilitate homework guidance, unit test review, and standardized exam preparation
- **Create and assign individualized practice problems** to target learning gaps

EDUCATION

University of California, Los Angeles — *Bachelor's of Science Candidate Statistics And Data Science*

EXPECTED IN JUNE 2028

- 3.94 GPA
- Involvements: Casa Heiwa & Angelina Mentorship Program Intern, Peaks and Professors Director of Social Media and Marketing

SKILLS

Programming Languages: R (Tidyverse), SQL, Python (Pandas/NumPy), C++, Java, C

Mathematical Foundations: Linear Algebra, Multivariate Calculus, Probability Theory

Methodologies & Pipelines: Linear Modeling, Longitudinal Data Analysis, Data Wrangling, Feature Engineering, K-Means Clustering, NLP (BERTopic), Algorithmic Bias Mitigation

Tools & Competencies: End-to-End Data Science Pipelines, Git/GitHub, UNIX/Linux Basics, Data Visualization, Socio-Technical Risk Assessment

AWARDS

Campbell Family Service Award

Dean's Honors List

AP Scholar with Distinction

INTERESTS

Alpine skiing, NYT daily word & logic games, stand-up paddleboarding, hiking, and creative journaling
